RE: CRM-LO-D Loam Soil D

To whom it may concern,

This letter shall serve as documentation for your files in reference to the above noted loam standard of natural matrix, that it is **nonhazardous** and does **not** require a Safety Data Sheet. The contents of this standard are not classified as a hazardous substance or mixture following the Globally Harmonized System for Hazardous Communication.

Thank you for your business. If we can be of further assistance, please contact us.

Sincerely yours,

HIGH-PURITY STANDARDS INC.
